THE STORY

Born and raised in Hollis, Queens, Swaggaquil was immersed in Hip-Hop from an early age. Raised in a Trinidadian household with his father **Black Warrior - The Liberator.** A pioneer of conscious music; he learned the power of lyrics, culture and purpose.

His sound is shaped by the streets of New York and the spirit of the Caribbean.

Today, based in Accra, Ghana. Swaggaquil is building bridges between continents; uniting Hip-Hop with African rhythm, culture and consciousness.

This is more than music.
This is movement. This is legacy.

few," Black Warrior said, framing the track as the opening statement of a wider catalogue he intends to build around African identity, cultural pride and community development rather than chasing short term hits.

Black Warrior, born in Trinidad and now based in Ghana, founded Big Mountain Entertainment and has built his sound on a mix of reggae, soca, Afro inspired rhythms, conscious hip hop and soul. Swaggaquil, born in Hollis, New York and now based in Accra with Trinidadian roots of his own, contributes both as a performer and producer, while Tamie Spring, a Trinidadian born singer songwriter, provides the track's vocal hook. The three describe their collaboration as a deliberate handoff of values and artistic responsibility between generations.

This is not the trio's first time working together. Black Warrior has previously released "Big Mountain," also featuring Swaggaquil and Tamie Spring, and "Heave the Movement" with Swaggaquil and another collaborator, Rah,

About Swaggaquil

Born in Hollis, New York—the birthplace of many influential hip-hop pioneers—Swaggaquil draws inspiration from his Trinidadian heritage while contributing to Ghana's growing creative landscape.

As both a recording artist and producer, he combines technical creativity with meaningful storytelling, offering a contemporary global perspective grounded in discipline, ambition, and conscious expression.

His contribution to **The Conquerors** symbolizes the passing of values, vision, and artistic responsibility from one generation to the next.
